**ORDER of MERIT of the POLICE FORCES**

**MEMBER – TERMINATION of APPOINTMENT**

On July 24, 2010, notice was published in the *Canada Gazette* stating that the appointment of **Sergeant Warren S. Gherasim** to the Order of Merit of the Police Forces has been terminated. Details at the end of the listings.

According to article 23(c) and Article 24 of the *Constitution of the Order of Merit of the Police Forces*, a revocation takes place when the governor general makes an ordinance terminating the person's membership in the Order.

The termination of **Sergeant Warren S. Gherasim's** appointment to the Order of Merit of the Police Forces is related to a disgraceful conduct sanction ordered by the Royal Canadian Mounted Police. In 2006, he drove his personal car into a ditch when he had been drinking. The RCMP adjudication board ruled in March 2008 that alcohol was a "contributing factor" in a crash two years prior that saw Gherasim lose control of his speeding vehicle and roll it into a ditch. At the time, Gherasim was a detachment commander in Cut Knife, about 200 kilometres northwest of Saskatoon. The board considered that an "aggravating factor" in deciding sentence. "Detachment commanders are examples to both their subordinate members and the civilian population they serve," the panel ruled. The board also considered his "exemplary performance history" and decided this "single act of poor judgment" warranted a reprimand and the forfeiture of eight days' pay.

Sergeant Warren S. Gherasim was appointed **Member of the Order of Merit of Police Forces** on 19 January 2006, and the termination took effect 04 March 2010. Gherasim was given the MOM for "contributing to the advancement of community-based policing in the Northwest Territories and for leadership in fugitive investigations in Canada and the province of Ontario."

The Ontario Provincial Police (OPP) professional standards bureau has charged an OPP officer following an investigation into theft, fraud and breach of trust. As a result of receiving information, the OPP professional standards bureau launched a criminal investigation in 2008 into the actions of an OPP officer. The investigation also determined that the officer accepted or received money, a loan and the use of a personal watercraft. At the time of the offences the officer was the inspector, manager of the First Nations policing section under the former First Nations and contract policing bureau of the OPP.

## The Only Recipient of the OOM and the OMM

Lieutenant Colonel / Inspector Terry Kopan, OMM, MOM, CD, AdeC

LCol Terry Kopan was born and educated in Yorkton, Saskatchewan. His involvement with the Canadian Cadet Organization began in 1974 when he joined Royal Canadian Sea Cadets 114 Orkney. He participated in summer training at HMCS Quadra and spent two months aboard HMCS Terra Nova, graduating from the Sea Cadet program as a Chief Petty Officer First Class. He enrolled in the Canadian Forces as a reserve officer with the Cadet Instructors List in 1980, serving with Sea and Army Cadet Corps in Saskatchewan and British Columbia.

Prior to joining the RCMP in 1981, he was employed as a full-time fire fighter with the City of Yorkton. While posted with the RCMP in a variety of British Columbia communities, he continued his service with local cadet corps. He commanded 2276 Rocky Mountain Rangers Fort St. John prior to his transfer to Langley. This was followed by service as a Training Officer, Deputy Commanding Officer and Commanding Officer with 1922 The Royal Westminster Regiment Abbotsford and 1725 Canadian Military Engineers Chilliwack. During this time, he was selected twice for international exchanges as the Officer in Charge of the Canadian Contingent to the United Kingdom Land Forces Cadet Leadership Course held in England.

Upon promotion to Major in 1996, he was appointed as the army Area Cadet Instructors Cadre (CIC) Officer for the Lower Mainland and Fraser Valley. In addition to his duties as Area CIC Officer, LCol Kopan successively commanded 72 and 2812 Seaforth Highlanders of Canada in Vancouver and Surrey. He also served as Liaison Officer to the Army Cadet League of Canada (BC Branch) and as a member of the CIC Regional Advisory Council for Pacific Region.

LCol Kopan has served at Vernon Army Cadet Summer Training Centre as the Officer Commanding Foxtrot Company, Deputy Commanding Officer and as Commanding Officer for four years. On completion of his term as Commanding Officer, he was appointed Region Advisor (Pacific), CIC National Branch Advisory Council and Chairman of the Pacific Region Advisory Council, positions he fulfilled until 2010; during this time, he was proudly part of the planning and execution of the Branch's Centennial celebrations nationally and within his province. This was followed by his participation as a subject matter expert in the program design and delivery for the Senior Officers' Training Course and the Leadership and Command Program. In January 2013 he was appointed by the Chief Military Personnel as the national Branch Advisor for the CIC.

In the RCMP, he was commissioned as an Inspector in 2003, and appointed Executive Officer to the Deputy Commissioner Pacific Region, who was responsible for the leadership of one third of the Force. Following commissioning, he completed the RCMP Officer Orientation and Development Course. In 2007, he was appointed Officer in Charge of "E" Division Crime Prevention & Program Support Services, and subsequently Officer in Charge of National Performance Programs at Pacific Region Training Centre in Chilliwack, his current posting. LCol Kopan was the catalyst for influencing national policy changes within the RCMP and the Canadian Forces, which resulted in RCMP members being permitted to serve concurrently as Canadian Forces Reserve Officers in the Cadet Instructors Cadre Branch.

LCol Kopan is a recipient of the RCMP Long Service Medal and the Queen Elizabeth II Golden and Diamond Jubilee Medals. In 2007, the Governor General of Canada invested him as a Member of the Order of Merit of the Police Forces, and subsequently as an Officer of the Order of Military Merit in 2009. He serves as an Honorary Aide de Camp to the Lieutenant Governor of British Columbia.

LCol Kopan is married to Kathi Kopan, also a serving CIC Officer. Their eldest daughter Laura (1984-2002) and their son Matthew were Warrant Officer with 1725 Canadian Military Engineers Cadet Corps Chilliwack where they finished cadets. The Kopan family resides in Abbotsford, BC. LCol Kopan inspired and encouraged the development of the Vernon Cadet Camp Museum.

Without his vision we would not have envisioned the potential of the stories we currently share.

Terry died on 20 January 2019. It was my privilege to have known Terry – an outstanding person.
