

The Order of The Northwest Territories

01 October 2024

TERMS:

To recognize individuals who have served with the greatest distinction and excelled in any field of endeavour benefiting the people of the Northwest Territories or elsewhere. It is the highest honour awarded to NWT residents. Canadian citizens who are current or former residents of NWT are eligible to receive the Order and can be nominated by an individual or organization. A person who is not a Canadian citizen or who is not a current or former resident of the Northwest Territories may be invested with the Order as an honorary member of the Order on the recommendation of the Council.

A maximum of ten people may receive the order in the first two years and up to three per year in subsequent years.

The following classes of persons are not eligible to receive the Order while holding office: members of the Legislative Assembly; members of the House of Commons; judges of any court of any territory or province or of Canada; elected leaders of aboriginal governments; or mayors and municipal councillors. The Order may be conferred posthumously on a person who died not more than one year after being nominated.

The Commissioner of the Northwest Territories is, by virtue of his or her office, a member of the Order and the Chancellor of the Order.

The Council of the Order is composed of:

- (a) the Speaker of the Legislative Assembly, by virtue of his or her office;
- (b) not more than five members of the public appointed by the Legislative Assembly on the recommendation of the Board of Management; and
- (c) the Secretary to the Cabinet, by virtue of his or her office.

DESCRIPTION

The medal is eight petal stylistic flower, the petals enameled WHITE and edged in GOLD with GREEN leaves between each lateral petal, also edged in GOLD.

OBVERSE

In the centre of the dogwood is the Northwest Territories shield of arms in BLUE, RED, GREEN and GOLD enamel on WHITE enamel and edged in gold. On top of the shield are two gold narwals guarding a compass rose, symbolic of the magnetic North Pole. The upper third of the shield represents the polar ice pack and is crossed by a wavy blue line symbolizing the Northwest Passage. A diagonal line separates the red and green segments of the lower portion of the shield reflecting the tree line. The green symbolizes the forested areas south of the tree line, while the red represents the tundra to the north. Minerals and fur, the important bases of the northern wealth, are represented by gold billets in the green portion and the mask of the white fox in the red.

REVERSE:

Plain

MOUNTING

A small GOLD ring on the top of the medal has a larger oval GOLD ring pass through it. The ribbon passes through this larger ring. The medal is worn around the neck although a woman may wear it from a bow on the right shoulder.

RIBBON

A ribbon of five equal stripes, WHITE, Dark BLUE, WHITE, Dark BLUE, and WHITE with a narrow centre RED stripe.
